

MTF SPRING NEWS

**“We help kids build confidence,
one serve at a time”**

DTC Members,

The Mullaney Tennis Foundation (MTF), has officially begun actively pursuing our mission to educate, equip and empower youth through tennis for a lifetime of success on and off the court. The children we seek to help and serve are, in many cases, less fortunate and are growing up under challenging household circumstances. Our mission is simple:

We Educate by providing intellectual, moral and social instruction on the tennis court and beyond.

We Equip by offering mentoring opportunities, tennis equipment and other items needed to bring tennis to new audiences.

We Empower by building strength and confidence, enabling youth to develop goals and pursue their dreams.

Our first major event took place right here at DTC. On July 21st, the Foundation held a youth tennis clinic at Doylestown Tennis Club for over 100 youth from “Philly KiDZ Initiative”. With the help of our volunteers and the club’s donation of courts and coaches, the event was a huge success. Children from K thru 5th grades were treated to on-court instruction, off-court activities, tennis videos by Ryan Reidy of 2Minute Tennis, and a pizza party. The day ended with an amazing Magic Show by Bill Kerwood. Everyone left with a smile, a certificate of achievement, and an activity book.

YOUTH SCHOLARSHIP

On November 1, 2023, the Foundation awarded its first scholarship. The recipient is Shawn. Shawn is a fine young man and a good student dedicated to his studies. He loves history and is an avid Eagles fan. But his passion is tennis! He tried some other sports, but when he tried tennis, he said he loved it and is happiest when he is on the court. Shawn's goal is to play for his high school's team in the spring and to play tennis in college. Currently he is drilling with other teens at the Doylestown Tennis Club and playing as much as possible. We are happy to support Shawn's efforts and look forward to cheering him on when he plays for the team.
